

# Work with us...

**Title: Exhibition Project Manager - Stand Builder**

**Location: Norwich, Norfolk**

**Salary: Negotiable - subject to experience**

## **Role Background:**

Image Display & Graphics is an award winning exhibition, display and event company, formed in 1989 and based in Norwich. The events industry suffered an almost fatal blow in the wake of the Coronavirus pandemic shutting down all exhibitions and events in March 2020. Subsequent to the first lockdown we launched a new division Image Garden Rooms in a bid to outlive Covid-19 from a business perspective. Our unique approach to these timber engineered building utilises much the same skill sets we use in the construction of exhibition stands and we have then managed to establish a new brand to sustain the business while we look forward to the eventual return of exhibitions and events as we move through 2021.

Looking forward to this potential return post June and the summer we are now looking to rebuild our exhibition team and are subsequently cautiously hiring again. We are looking for experienced carpenters, stand builders and labourer / all-rounders to join us but more importantly we are also looking for experienced more senior staff members who will be able to work with us as we prepare to re-engage with our retained exhibition and event clients who are keen to return to live events at the earliest opportunity.

## **Project Manger – Role Overview:**

We are looking for an experienced exhibition / events professional who is familiar with the industry and it's particular workings to join us who is able to co-ordinate and manage a project right from the initial stage of meeting with a client through developing a design, job costing and negotiation then on to the progression and management of the project through manufacture and finally the installation and handover on site. We have a long term, established client base for whom we store equipment and it is hoped and envisaged that the majority will return to us and events as we move through the autumn. 2022 already looks like having the beginnings of a normal year's calendar of events. There may be a slow return to events and that return may only be perhaps 50% of the volume of pre-Covid. Subsequently we are planning to continue our garden rooms business as a separate brand so there will be the opportunity to work across both areas and brands with combined an expanding team.

## **Benefits:**

Salary will be by negotiation, subject to experience. The position is a permanent and potentially progressive for the right individual.

**To apply please send your CV to: Iain Cosham at Image Display & Graphics / Image Garden Rooms [iain@image-display.co.uk](mailto:iain@image-display.co.uk) or [ian-idg@intamail.com](mailto:ian-idg@intamail.com)**
